Experience

Motion Designer, I24 News

2023-2024

Designed visuals for international prime-time broadcasts, including show packages, maps, and daily graphics. Programmed MGRT templates to optimize workflow efficiency and collaborated closely with reporters and the content team to ensure cohesive and timely delivery

Freelance Designer

2018-2023

Worked with clients to create visual content. Managed all aspects of production from initial concept to final delivery, ensuring precise results.

Education

Bezalel Academy of Arts and Design

2018-2022

Bachelor's Degree, Screen-Based Arts, 3D Animation Specialization.

Head of TOM Bezalel Community

2021

Founded and led the TOM Bezalel community, organizing events and working with diverse professionals, students and people with disabilities to create affordable technological solutions.

Service

Reut Institute

2017-2018

Led technology and 3D printing workshops, produced hackathons, managed community initiatives, handled budgets, collaborated with sponsors, and conducted market research across various projects at the institute.

Anu Museum

2016-2017

Historical and experiential guidance for diverse audiences and ages.
